

**DEACON SUGGESTION FORM**

As announced by the Elders On October 16, we are beginning a process to appoint additional Deacons. We continue to have a number of expanding good works that need leadership. In addition, as we prepare for Indian Land we need to meaningfully increase our ranks to prepare for any exits and provide learning opportunities for individual in various areas. We request that you:

- 1 – Pray for this effort
- 2 – Review 1 Tim. 3:8-13 for qualifications
- 3 - List below the names of individuals that you believe are qualified to serve. (There is no need to ask them if they are willing to serve as we will address as needed.)
